

33.10011 Arcwash Wall Washer Track Lighting

IP20

Light Distribution Wall Washer Track Lighting

Colour Temperature 2700/3000/3500/4000K

Colour Rendition Index CRI 90

Optics Lens

Beam Angle Wall Washer

Track Phases 3 Circuit

Connected Load 50W

Luminous Flux Of The Luminaire 4275 lm

Luminaire Efficacy 88.5lm/W

Colour Deviation SDCM < 5

Light Source LED

LED Type COB

Dimming Method Triac/0-10V/ Dali

Cover Material --

Body Material Aluminum

IP Rating IP20

Housing Colour Sandy White/ Sandy Black

Weight 1.2Kg

Technical Region 220-240V 50/60Hz

Light Beam Talbe

h(m)	E(lx)	D(m)
		55°
1.0	2360.89	0.84
2.0	590.22	1.69
3.0	262.32	2.53
4.0	147.56	3.37
5.0	94.44	4.21

A high-performance, polarized track-mounted luminaire engineered specifically for vertical illumination with precision.

Professional-grade polarized optical design ensures a clean light cut-off and minimal glare
